

# Autumn Twist

Stitch-a-long

## Finishing Instructions

Choose a dark color for the thin sashing strips, and beautiful fall prints for the borders and corners. You may use the same print for both borders and corners if desired. Cut as follows:

-  Embroidered Blocks:  
(4) 6" x 6"
-  Sashing:  
(2) 1" x 6"  
(3) 1" x 12"  
(2) 1" x 13"
-  Border:  
(4) 3.5" x 13" OR  
(2) 3.5" x 13" and (2) 3.5" x 19" if not using a different corner fabric)
-  Corner: (4) 3.5" x 3.5"

All seams are 1/4." Stitch a 1" x 6" sashing strip between the owl and squirrel blocks, and one between the crow and the fox blocks. Press towards the sashing.

Stitch a 1" x 12" sashing strip on the top and the bottom of the owl/squirrel unit, and one on the bottom of the crow/fox unit. Join the two units together. Press all seams toward the sashing.

Stitch a border to each side. Press seam toward border.

Add a corner block to each side of the remaining borders, press toward the border. Then stitch one on the top and the bottom of each piece, pressing toward the borders.

Add batting and backing, and stitch in the ditch through all seams. Bind, add a hanging sleeve, and project label, and proudly display in time for Thanksgiving.

Thanks so much for joining us for our Autumn Twist 2018 free stitch-a-long. Be sure to join us in November and see what we're cooking up for Christmas!
